## Upcoming Events

*Christmas Party, Saturday, December 3 ( 7:00 P start) – invitations are included with this newsletter. We look forward to seeing as many of you as possible, as we celebrate another successful golfing season and the friendships made along the way.*

*Castle Oaks, Saturday, March 4, 2006 (10:00A start) – it's never too early to put in a reminder about the season's first event. 2006 will begin the 17<sup>th</sup> season for the CGC, and our return visit to Castle Oaks following our 2005 season-ending Tournament of Champions event.*

## Results from Castle Oaks, November 5, 2005

What a beautiful day to complete our CGC golfing schedule for 2005!! 32 golfers, our largest turnout since Rancho Solano in early June, took advantage of the day on one of the best golfing layouts in the area. The CGC has grown up with Castle Oaks, as it was one of our early favorites – with the course and staff always being very supportive of our group through the years. It is interesting to see the course mature, and to see the next generation of trees being prepared to replace the existing Oaks (of course, few would miss it if the Oaks blocking the 17<sup>th</sup> fairway (especially from the ladies tees) would disappear). Five flights (3 Tournament of Champions flights and two Invitational flights) gave us a great head start for filling up our 2006 Tournament of Champions field.
