

# Carmichael Golf Club Newsletter

February 2006

## Upcoming Events

*Castle Oaks, Saturday March 4 (10:00 A start)* – with a record 56 entries, we have had to cut off additional entries. If you have not yet signed up but wish to play, we will have to put you on a waiting list in case of cancellations. For those playing, we ask that everyone make a concerted effort to keep up their pace of play – with 2 hours worth of starting times, the later groups may have issues of available light to complete their rounds otherwise.

*Teal Bend, Saturday, March 25 (10:00 A start)* – we welcome in the first weekend of Spring with our Teal Bend event. This course is much better suited for non-Summertime events – and with its' reputation for good drainage, is quickly becoming an every other year fixture on our early season schedule. This course continues to mature, and rewards good play with interesting course routing and generally excellent greens. Entry forms are included with this newsletter, and are available on our website ([www.carmichaelgolfclub.com](http://www.carmichaelgolfclub.com)).

## CGC Membership

We are pleased that we have increased our membership entering 2006. We are currently at 67 members. Following is a list of our new members for 2006 (and the CGC members who brought them in): Ray Cheung, Colin Corby, Ross Corby, Kevin Hendricks, Greg Hovious, Kathy & Mark Meske, and Dana Newell (NCGA website), Norm Dietz (Greg Brewster), Geri Ford & Robi Love (Tommie Rohrer), Carolyn & Joel Lucich (Richard & Sylvia Cisneros), Barry Markman (Gary Borge), Art & Elfie Williams (CGC website). Thank you for joining our group – we look forward to seeing each of you at CGC events in 2006. All members – feel free to continue to encourage new members to look at the CGC.

## Newsletters via email or from the website

We tried electronic newsletters a couple of years ago, with some success. Since then, even more members have email access. We also had some good success in 2005 sending email reminders of upcoming deadlines for event entries. So we are going to give this another shot in 2006 (putting the newsletters on the website and sending email notices of their availability, along with email notices as deadline entries approach). Those who don't have email access will continue to get hard copies of newsletters. We'll see how this works – and re-evaluate any problems as the year progresses.

*Enclosed is a FAQ (Frequently Asked Questions – and answers) sheet – we anticipate a handful of these will be sent throughout 2006 as the need arises.*
