March 2006

Upcoming Events

Monterey trip (August 3- 5, 2006) – the deposit deadline for this trip is March 25. We are nearing filling up our available starting times – if your planning on making this trip, you need to get your deposit in by the deadline, so we can get back with the courses to make sure we have enough times for all players making this trip (Del Monte on Thursday, Poppy Hills on Friday, Pajaro Valley on Saturday).

Mather, Saturday April 22 (10:45 A start) – 10-12 years ago this was the new kid on the public course block, but has in the past few years been taken for granted and almost overlooked. Generally in very good condition the past 3-4 years – hopefully the heavy late February-early March rains won't beat up the course too much. Entry forms are included with this newsletter and are available on the website (www.carmichaelgolfclub.com).

Results from Castle Oaks, March 4, 2005

A gorgeous couple of weeks during the entry period in February brought out our largest CGC event turnout (56 players entered), but the weather the week leading up to the event threatened to delay the start of our golfing season. We caught a break between storms to get this round in – and 52 players worked their way around a soggy (but playable) course. We're starting to see the future at Castle Oaks – many trees being cleared, likely for more homes in and around the golf course. There will come a day where we will miss all of the open spaces at this very enjoyable layout. Thanks to everyone for their support (including the 11 new members who played) for our opening day of 2006 – we look forward to another great year of golfing and friendship!
