

# Carmichael Golf Club Newsletter

April 2006

## Upcoming Events

*Wildhorse, Saturday May 20 (10:00 A start)* – this course, located in Davis, opened in the late 1990's, as part of the boon in local courses during that period. The course routing and some forced carries has probably kept this course as a second tier or niche course in the area instead of one of the mainstays. This will be the CGC's first event here – it will be interesting to see how it is viewed by our members.

When we booked this event last year, we only scheduled for 28 players (due to a number of factors: our Club size at that time, a consistent pattern of reduced turnout for May events between Mother's Day and Memorial Day, uncertainty of interest for this course within the Club). With close to 20 new members since – we may now run into problems in being able to accommodate all who wish to play. If you are considering playing in this event, we encourage you to get your entries in immediately (and even contact us via email or telephone prior to sending in your entry), so we can make every effort to accommodate all who wish to play (or create an order of entries to develop a waiting list if needed). Entry forms are included with this newsletter and are available on the website ( [www.carmichaelgolfclub.com](http://www.carmichaelgolfclub.com) ).

## Results from Mather, April 22, 2006

It's been quite awhile since we've seen as wet a late Winter/early Spring as 2006 in the Sacramento area. After canceling our Teal Bend event in late March, we were determined to get the Mather event in. The weather cooperated – and while the course was still feeling the effects of the past 2 months, it was nice to get back out on the course. The course conditions definitely took their toll on the quality of the golf – however, we were greatly appreciative of the fine turnout (42 players) and the patience shown over a round of golf that moved quite slowly, mainly due to the Easter-egg hunt for golf balls in the first cut of rough. We are hopeful that the remainder of 2006 (at least on the golf course) will be less stressful.

### *First Flight (Blue/White Tees, handicaps 10-15)*

*Low Net: Craig Wahlquist (Blue), 75 \* \$ 25*

*2<sup>nd</sup> Low Net: Art Williams (Blue), 75 \$ 15*
