September 2006

Upcoming Events

Poppy Ridge, Sunday September 24 (9:40A start) - we have already had to finalize our player count and pay the course – we have 36 players signed up for this event. If you signed up but have not yet paid, payment needs to be received by September 16.

Haggin Oaks (Alister MacKenzie), Saturday October 7 (9:00A start) – one of the old time courses in the Sacramento area. After a face-lift in recent years, this course appears to be returning to its place of prominence in local golfing circles. October is generally a beautiful time of year in the Sacramento area – we hope you'll be able to join us. Entry forms are included with this newsletter or are available on our website (www.carmichaelgolfclub.com).

Results from Ancil Hoffman, August 28, 2006

A comfortable morning turned into a warm mid-day – as 25 players (23 members and 2 guests) enjoyed the opportunity to play in this Monday event. Ancil showed it's teeth as only 4 players broke net par, with over half the field shooting net 80 or higher! Ancil has held it's own better than most local courses during the summer heat – with the greens rolling nice and true. The better than expected turnout will likely motivate us to scheduling a couple of weekday events in 2007!

NCGA/CGC Membership dues for 2007

We recently received notification from NCGA that they are going to raise their dues by \$ 5 in 2007. Their letter indicates it is their first increase since 2001. The CGC has maintained our dues since 2002 – and that increase was to capture the NCGA increase that came too late in 2001 for us to comfortably pass on to members at that time. The CGC will also raise our dues by \$ 5 in 2007. Therefore, the renewal of CGC membership within the renewal period will be \$ 60. New memberships or renewal of memberships after the renewal period will be \$ 70. Information concerning renewals and new memberships will likely come out in October.
