

Carmichael Golf Club Newsletter

February 2007

Upcoming Events

Teal Bend, TOC, Saturday March 3 (10:00 A start) – if you qualified and received an invitation to this event, we are quickly coming up on the entry deadline for this event (February 17). If you have not yet notified us, please let us know if you are planning on playing in this event. A reminder will also be coming out via email.

Wildhawk, Saturday, March 17 (9:30 A start) – golf on St. Patrick's Day, a great day to be Irish (or a golfer – or both!). Our first full field event of 2007 – and with the early time change, the first Saturday of 2007 with extended daylight hours. As we've mentioned before, this course is a good early season course, as it is generally wide open (for early season golf), and not well protected by trees (for the Sacramento summertime heat). Up until this past week, we suspect it was in pretty good shape. We'll see how much rain we get over the next few weeks leading up to this event. Entry forms are included with this newsletter, and are available on our website (www.carmichaelgolfclub.com).

Central Coast trip, August 2- 4, 2007 – entry forms for this trip are included with this newsletter, as well as being available on our website. The dates of this trip aren't as far away as you think, and being a little bit longer travel – it is important that we get a solid head count of people making this trip to make sure we will meet the minimum requirements of the courses we are scheduled to play. We also encourage those planning on making this trip to get their lodging booked sooner than later.

CGC Membership

After quite a jump last year in membership (from 61 in 2005 to 74 in 2006), we are currently a little bit below last year's pace – as our current membership stands at 66. Following is a list of our new members for 2007 (and the CGC members who brought them in): Jim Finnegan (previous CGC member on two separate occasions), David Hazelwood (CGC & NCGA website), and Greg Paulo (Larry Marietti and gang). Thank you for joining our group – we look forward to seeing each of you at CGC events in 2007. All members – feel free to continue to encourage new members to look at the CGC. We had a nice spike in membership and in members playing in our events in 2006 – we'd love to see this trend continue.

Use of email to communicate with members

We had great success last year in communicating with members via email to remind folks of upcoming entry deadlines and on last minute details involving events. Since almost all members now have email access – we will utilize this as much (if not more) in 2007. As we get into the golfing season, please make it a point to check your emails at least a couple of times a week to stay current on CGC info.
