March 2007

Upcoming Events

Central Coast trip (August 2- 4, 2007) – the deposit deadline for this trip is March 17. We hope you can join us – this should be a unique golfing experience for those of you who haven't had a chance to play golf in this area. If your planning on making this trip, please work on finalizing your lodging arrangements – good deals can be had with a little bit of research!

Lockeford Springs, Saturday April 14 (10:00 A start) – not as far away as many people think, but with all of the golf courses built in the area in the past few years, it has taken a bit of a back seat to other area courses. A quality course that has given our group many challenges in our previous events here. Entry forms are included with this newsletter and are available on the website (www.carmichaelgolfclub.com).

Results from Teal Bend (TOC), March 3, 2007

Our first attempt at a true Tournament of Champions event brought out a respectable turnout (27 players) on what turned out to be a beautiful day! Teal Bend held true to it's reputation for good drainage (after heavy rains early in the week), as the course was in decent shape (much work being done with grasses just short of many greens), with the greens rolling fast and true. The course yielded a few low net scores, but in general held it's own (with only 9 sub-par net scores). Thanks to all for giving us a good start to 2007!

CGC Membership

A recent burst in membership has brought our total up to 71 members, just slightly below last year's level. Welcome to our recent new members (and the members that brought them in) – Paul Buchanan (previous CGC member), Larry Fonseca (Ken Worman), Neil Ganju (Paul Buchanan), Greg Meyer (NCGA website), and Jay Simi (Paul Buchanan). We hear of some other potential new members on the horizon – we're hopeful that we might reach the mid-to-upper 70's level in membership for this year.

With a week until our Wildhawk event, we have 47 players scheduled to play on March 17. While we lose a little bit of the personal touch amongst the group with such large turnouts – accommodating a larger number of golfers is a pleasure when setting up and running events. While it's important that a group of 20 players enjoys the events as much as a group of 40 players does – it's more rewarding for us in the planning and preparation to have more people playing. We hope that our events will be pleasant experiences for all members and guests. Thanks to all of you for your previous (and future) support of the CGC!
