Teal Bend, Saturday, March 15, 2008 – our first full field event of 2008. With all of the rain we have seen so far in January, Teal Bend's reputation for its' excellent drainage may be put to the test come mid-March.

Remaining 2008 schedule: We are still working on filling in the remaining gaps in our 2008 schedule. A complete schedule will be provided once we have finalized all of our planned for dates.

Our away trip for 2008 will be June 19-21, 2008 (Thursday June 19 at Lake Tahoe GC, Friday June 20 at Silver Oaks GC (Carson City), Saturday June 21 at Genoa Lakes GC (Carson City)). A request for deposits for this trip will be included in our next newsletter. We did not feel comfortable waiting any longer for the courses in the Graeagle area to get back to us, so we have cancelled any plans for a multiple day trip to the Graeagle area in 2008.

Our initial plans for our away trip for 2009 are to return to the Monterey area, likely in late July or early August 2009. We have already had initial discussions with Pacific Grove and Poppy Hills to determine the dates we need to have requests in for consideration for July/August 2009.

CGC Website (www.carmichaelgolfclub.com)

Tom Haltom and Alan Rankin are working on changes to our website to hopefully make it more user friendly (easier to navigate through, with fewer front page links but more current and historical information). We also hope to rotate pictures on the front page of the site of golf courses and CGC members taken throughout the years. At a minimum, you should be able to continue to get your starting times for events from the site. Feel free to check out the site as we build this updated version.
