## Results from Blue Rock Springs (East), May 31, 2008

This was a first time venue for the CGC, and a good sized group of 40 players (36 members and 4 guests) joined us for the experience. Yes, parking was an issue for some, and the wind was a bit brisk (though after a couple of heat spells in the valley in July and August it would feel pretty good), and some of us ‘flatlanders’ weren’t enamored with the hilly terrain – but all in all we may have found another summertime course (2 if the West course is of similar quality) to help get us out of the Sacramento heat. At a par 70, we had 3 really good rounds by the group (2 6-under net 64’s, 1 5-under net 65), and a handful of solid scores – but in general the course proved to be a challenging and interesting test.
